INNOVATE CHALLENGE

We are thrilled to partner with CGI on a groundbreaking challenge, and invite you to get involved.

> **What:** Design your ideal learning experience using technology and creativity

> **Why:** To make learning about Information Systems engaging and accessible

> **Who:** Open to all Sea Cadets aged 12-18

> **When:** Competition deadline extended to 28 August 2024

> **Prizes:** One winning cadet or team from each Sea Cadets Area – six winners overall

Get involved and show us how you can transform learning!
